INNOVATOR IN ELECTRONICS

**Model:** SCA3100-D04

**Description:**

3-axis high performance accelerometer with digital PSI interface

**MEMS type:**

3-axis linear accelerometer

**Dedicated software:**

No

**Computer interface:**

SPI interface

**Compatibility with mechanical testing:**

Yes

**Compatibility w/ environmental testing:**

Not fully (FR4 eval. board)

**Maturity:**

High

**Acceleration range:**

$\pm 2g$

**Package:**

Polymer

**Temperature range:**

-40°C to 125°C
